

We Need Your Support

To our amazing supporters,

These are extraordinary times and like you, Crossroads Hospice Society is working to adapt. Our Inlet Centre Hospice remains open as we continue to meet our community's needs in this ever-changing, turbulent world.

With our Thrift Store temporarily closed for the safety of our volunteers, shoppers, and staff, we are feeling the financial pinch. We know many of you are as well.

In normal times, Crossroads would be gearing up for one of our most important fundraisers, our annual Hike for Hospice. We recognize these are not normal times, yet we still need the funds raised by our Hike to cover the costs of providing compassionate, quality care for people with life-limiting illness and grief support for our community.

With this in mind, we invite you to join our first ever VIRTUAL Hike for Hospice. Our Virtual Hike for Hospice is an online fundraising initiative that allows you to register and hold your own symbolic 'walk' and still fundraise for an important cause.

By participating in our Virtual Hike for Hospice, you will be able to stay active, healthy, and safe in the comfort of your home while being a part of a fun activity. Register through our website <http://hike4hospice.ca/> and pledge to run or walk 5KM, and collect donations for your participation. If you aren't able to participate in the 5KM walk, you can also support us by making a general donation. Every dollar makes a difference.

Thank you for your understanding and continued support of Crossroads Hospice Society.

A heartfelt thanks,
Crossroads Hospice Society
